In enchanting Rodney Bay, experience true magic as you look upon the peaks of the Piton Mountains, designated a UNESCO World Heritage Site for their natural beauty. While the white, sandy beaches and crystal waters are a major allure of Les Trois-Îlets – a municipality created by the intersection of Le Diamant, Les Anses-d'Arlet and Sainte-Luce – they also boast lush forests perfect for nature walks, hiking and ecotourism. Near the tropical paradise of Carambola Beach lies the UNESCO-listed Brimstone Hill Fortress National Park, a historical landmark that exemplifies the ingenuity of Britain's military engineering and one of the best-preserved fortifications in the Americas. And in stunning destinations like St. Barts and Anguilla, immerse yourself in aquamarine waters perfect for snorkeling adventures.
